

TeriC

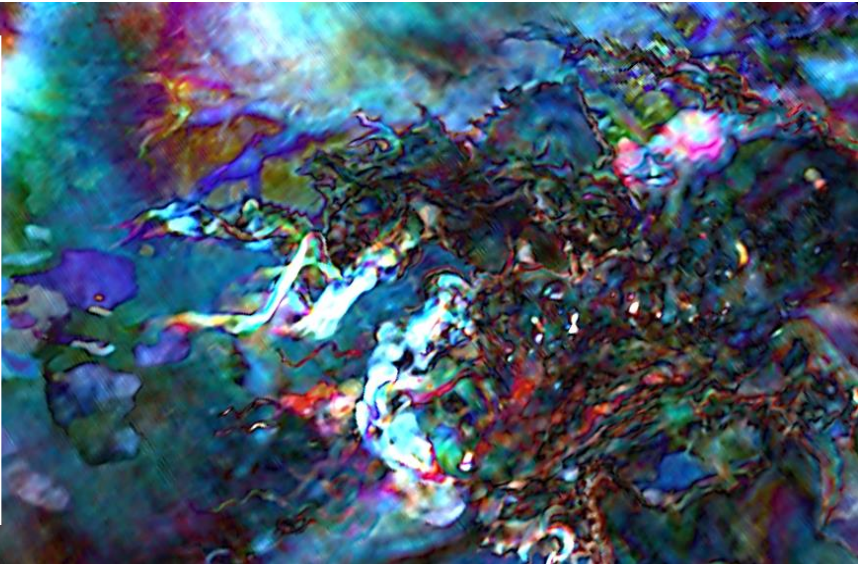

REGISTER

GeoTeriC 11th Annual UK Technology Forum

Tuesday 23rd May 2017
The Geological Society, London

9:15am – 4:15pm
Followed by drinks & networking

REGISTER

9:15	Registration	Arrival tea & coffee to set you up for the morning
10:00	GeoTeriC	Introduction
10:15	GeoTeriC	GeoTeriC 2017: Turning the Vision into Reality
11:00	Cegal	GeoTeriC in The Cloud – in collaboration with Cegal.
11:15	Echo Geo	Chasing Elusive Source Rocks: Comparing GeoTeriC attributes with quantitatively derived TOC properties
11:45	Rockhopper Exploration	Carbonate platform case study, Italy - integration of qualitative GeoTeriC frequency decomposition and geophysical interpretation into reservoir modelling
12:15	Lunch	Buffet style lunch will be served in the Lower Library
13:00	ExploCrowd	<i>Geomorphologies in Permian - Carboniferous carbonates and evaporites in the SW Barents Sea revealed by spectral decomposition</i>
13:30	GeoTeriC	Well...Look what You can do Now
14:00	Premier Oil	Using GeoTeriC's Horizon Packs to unravel the complex interplay between stacked, deep-water canyon systems in the Cear Basin, Equatorial Brazil.
14:45	Break	Time to refresh – tea & coffee will be served in the Lower Library
15:00	GeoTeriC	GeoTeriC 2017.1: Adaptive Interpretation System
16:00	GeoTeriC	Round Up
16:15	Drinks & Nibbles	A selection of drinks and nibbles will be served while you mingle
